

Create Instructional Videos with **ShowMe for iPad** A Visual Tutorial

by Nick LaFave
Clover High School
www.EdTechPicks.org

Follow the directions below (using your iPad) after you have downloaded the ShowMe app and created an account.

I. Create a Presentation in Google Slides, or Upload a Presentation (PowerPoint or Keynote) to Google Drive

A screenshot of a web browser showing the Google homepage. The browser's address bar contains "google.com" and the search bar contains "explain everything tutorial". A navigation menu is open, displaying icons for various Google services: +Nick, Search, YouTube, Maps, Play, News, Gmail, Drive, and Calendar. A green checkmark icon with the number "1" is positioned over the "google.com" address bar. A second green checkmark icon with the number "2" is positioned over the navigation menu. A third green checkmark icon with the number "3" is positioned over the "Drive" icon in the navigation menu. The background of the page features a colorful illustration of a mountain range and a person sitting on a log.

Eating at a Lower Trophic Level
Dimensional Analysis

The image shows a screenshot of a video player on the website www.showme.com/sh/?h=KN8nyYS. The browser's address bar and tabs are visible at the top. The video player itself has a large green circle with the number '23' overlaid on the right side. A green arrow labeled 'Share by copying the link.' points to the address bar. Another green arrow labeled 'Preview' points to a play button icon. A third green arrow labeled 'Change Settings' points to a settings gear icon. A fourth green arrow labeled 'More sharing options.' points to a share button. Below the video player, the title 'Eating at a Lower Trophic Level' is displayed, along with the author 'by N LaFave' and an 'Edit' link. There are also 'Settings' and 'Delete' options. The video player includes a progress bar and a volume control icon.
