Connect Drive to your desktop

II. Open Explain Everything on your iPad

III. Connect Your Google Drive Account

The image shows a presentation viewer interface with a settings menu open. The presentation content includes slides on water pollution, recycling, and green revolution. The settings menu is on the right, showing various account connections. Three green callouts with numbers 1, 2, and 3 highlight the settings icon, the Accounts tab, and the Google Drive connection toggle respectively.

Slide 14: Chapter 14 Water Pollution
14
December 19, 2013

Slide 16-2: 3-Rs+C
Reduce- waste minimization or prevention
Reuse- reusing something like a disposable cup more than once
Recycle- materials are collected and converted into raw materials and then used to produce new objects
16-2 3-Rs+C

IV. Create a New Presentation From Your Google Drive Presentation File

V. Record Your Presentation

The image shows a presentation software interface with a slide titled "Management Pr" (part of "Management Presentation"). The slide content features a meme with a line of dogs sitting on a lawn under a tree, with the text "DEFORESTATION EFFECT" overlaid. The interface includes a toolbar on the left with icons for navigation and editing. Several callout boxes with heart icons highlight specific features: "Add a Blank Slide", "Draw", "Write", "Laser Pointer", "Advance Slides", and "Start/Stop". The "Start/Stop" callout is highlighted with a green checkmark icon. At the bottom, there is a navigation bar showing "Slide 1 of 10" and a timer set to "00:00:00".
