The Bahamas warns young men traveling to the US to "exercise extre..."
news.vice.com • today

The Bahamas' Ministry of Foreign Affairs has issued a warning to "young males" traveling to the United States to "exercise extreme caution in affected cities in their interactions with the police.". The government of the island nation, which lies just off the coast of Florida and is predominantly black, sent out the notice in light of "recent tensions in some American cities over shootings of young black males by police officers."

Search With Natural Language

Tips: Change your Spotlight Settings

Drag categories to change the order in which results appear.

Only selected categories will appear in Spotlight search results.
