Getting Started with Flippity
Flippity.net

Flippity is a versatile set of tools that are quick and easy for teachers to use. Simply edit a Google Sheet template to create flash cards, review games, random name picker / group maker, and more.

Step One: Modify the Google Spreadsheet Template.

You must be logged in to your Google account. Clicking on the template of any Flippity option will prompt you to make a copy of the document.

Flippity
Quiz Show

Easily turn a Google spreadsheet into a trivia game show.

Step Four:
Bookmark and Share
It's a good idea to bookmark your creation so you can quickly access it later. Clicking Share at the bottom of the screen gives you options to copy the link, add it to Google Classroom, get a QR code, access an embed code, and a few other ways to share.
